****Reminder:** This checklist is just a guide, you are free (and encouraged) to add more questions as you conduct the actual audit.

****Note to the auditor:** Please ensure to check status of open corrective/preventive actions from previous internal audit(s). You have the option to close-out the open item if you find that the action(s) taken have been implemented or are effective already.

****Check the following:**

The procedure is followed.

The forms are completely filled.

The records have complete signatures of concerned personnel.

The filing of records generated
